### **Snow Plow Service**

The Town Maintenance Department and subcontractors remove snow for the Town. Salting occurs during icy conditions.

- Remember to remove items or vehicles from the streets, curbside, and right of ways.
- When removing snow from driveways, push it to the sides of the driveway to avoid getting it pushed back onto the area.
- Clearing snow and slush build up away from mailboxes, bus stops, and storm sewer grates is helpful to you and your neighbors.

The Town follows Allen County levels of alert and emergency.
