

Dear Leo-Cedarville homeowner:

Republic Services® is proud to be chosen again to be your recycling and waste service provider.

We look forward to servicing you and want to make the switch of providers as smooth as possible. Below are the important guidelines to note:

- Republic Services will deliver the containers the week of June 24, 2019.
- The pickup day for **household waste will be on Wednesdays, starting July 3, 2019.**
- The basic service is limited to one 96-gallon container once a week.
- The service will be billed to you by Republic Services every three months (quarterly billing) at \$33.09 per quarter.
- Recycling service is optional and will be billed only to those residents who call us at 800.876.9001 to sign up for service. Those signing up will be supplied with one 96-gallon container; **it will be emptied on Thursday every other week on the A week schedule starting July 5** (there is a one-day delay because of the 4th of July holiday). We will mail a recycling calendar to you.
- The recycling service will be billed every three months (quarterly billing) at \$21.12 per quarter.
- The RecyclingSimplified.com website will help you learn about what you can recycle to make recycling easier.
- Basic service is limited to the container; however, you have the following options:
 - An extra household waste container can be ordered for \$8.00 per month, billed \$24.00 per quarter, or extra household waste bags or bulk items can be picked up by calling our Customer Service team at 800.876.9001. They will schedule the extra service and collect your payment.
- Please provide your phone number and email address so we can inform you of any weather or service delays.
- We encourage homeowners to visit **RepublicServices.com** to easily sign up with the **My Resource™** mobile app, which simplifies all your recycling, waste and account management needs. All payments and requests for extra service can be done online.
- The fall bulk items and additional cleanup day will be Monday, October 14, 2019.
- Spring cleanup 2020 to be determined.

Thank you,

Republic Services
