Meeting called to order at 6:00 p.m.

Review of previous minutes – The minutes from the June 3, 2019 Plan Commission meeting were reviewed and approved as presented.

Diane Reynolds, Engineering Resources, Inc. and Kirby Stahly, East Allen County Schools presented an amendment to the original design of the egress drive to State Road 1 from Leo High School. The original design included a privacy fence along the South side of the drive. They felt Blue Spruce trees would be a better option since it is so close to the house on the adjacent property. The Blue Spruce buffer complies with the zoning ordinance.

Mr. Peck moved to approve the use of Blue Spruce as a buffer; Mr. Pulver seconded. Motion passed unanimously.

Meeting adjourned.
